November 17, 2016

Dear Parents:

In the event that the normal school time schedule or bus routes need to be modified due to inclement weather, the radio and television stations listed below will be notified. Decisions concerning cancellation, late start, or snow routes will be made by 6:30 a.m. If you do not hear an announcement on one of these stations, school will be in session with the normal time schedule. Please do not call the stations as they need their lines open for those calling in announcements. The high school lines will be open by 7:30 a.m. (school cancellations will be listed on our SchoolWay App and Facebook page)

Should conditions warrant that buses only run snow routes, school will be in session but students living in the country are asked to meet the bus along the snow routes. The snow routes consist of one east to the county line, one south to Wildcat Junction, one west to Quail Meadows, and one north to Highway 16. Country students who are unable to meet the bus or make it to town will be excused for the day. (TV stations may not announce snow routes; however, the radio stations have done this for us in the past.)

Radio and television stations that will be notified:

KOKL 1240AM/94FM	Radio	Okmulgee
KVOO 98.5FM	Radio	Tulsa
KTUL Channel 8	Television	Tulsa
KOTV Channel 6	Television	Tulsa
KJRH Channel 2	Television	Tulsa
FOX 23 News	Television	Tulsa

Sincerely,

James Lyons  
Superintendent
